What You'll Learn

- Crime prevention job essentials for your success.
- Public speaking, outreach, and community engagement.
- Community programs, Neighborhood Watch, Business Watch, Volunteer programs and more.
- Tools to build community relationships.
- Personal and property crime prevention skills.
- Introduction to Crime Prevention Through Environmental Design (CPTED) and skills to perform security surveys.

By the end of this training, you will have practical tools and strategies to effectively communicate with the public, support crime prevention initiatives, identify common safety concerns, and contribute to building safer, more connected communities.
